E&B PAVING RECEIVES NATIONAL HONORS FROM
AMERICAN CONCRETE PAVEMENT ASSOCIATION

ANDERSON, IND. (August 31, 2009) – E&B Paving, Inc., an Anderson, Ind.-based asphalt and concrete paving contracting firm, received two national awards from the American Concrete Pavement Association (ACPA) for its paving work on highway and airport runway projects in Indiana.

E&B's Concrete Division, based in the firm's Rochester, Ind. office, was honored with the ACPA "2009 Excellence in Concrete Pavement Award" for its work on:

- > Delphi, Ind. Airport: Concrete Overlays Category, Gold Award Winner
- > State Road 66 (Diamond Avenue), Evansville, Ind.: Urban Arterials & Collectors Category, Silver Award Winner

The ACPA's Indiana Chapter previously recognized both projects with Excellence in Concrete Pavement Awards. The annual ACPA awards program is designed to honor quality concrete pavements constructed in the United States and Canada. E&B Paving will be formally recognized for these national awards at the ACPA Annual Convention in December.

"ACPA national recognition following the state chapter awards was highly gratifying to the paving crews which worked on these projects, as well as our entire organization," says E&B Concrete Division Vice President Ronald Zink, PE-LS. "These projects demonstrated how E&B worked in partnership with customers to deliver highly specialized concrete paving solutions for their needs."
